

Retreat Journey into the Second Half of Life

Are you aged between 40 and 60 years old?

Do you have the longing to experience more than your settled life and stable relationships?

Are you experiencing some physical decline or vocational restlessness?

Are any of your children leaving (or have left) the family home?

Do you wonder if your life of faith can be more deeply meaningful?

Do you desire to hear God's call for you in the afternoon of your life?

"One cannot live the afternoon of life according to the program of life's morning; for what was great in the morning will be of little importance in the evening, and what in the morning was true will at the evening have become a lie."

Carl Jung
